December 2022

We are halfway there!

Over the past 5 years Lakeview Schools Educational Foundation (LSEF) has offered almost \$200,000 in scholarships to Lakeview students.

The **Lakeview Schools Centennial Scholarship Fund** was recently established in honor of 100 Years of Educational Excellence at Lakeview Schools. For more details on this scholarship go to:

<https://lsefspartans.org/index.php/lakeview-centennial-scholarship/>

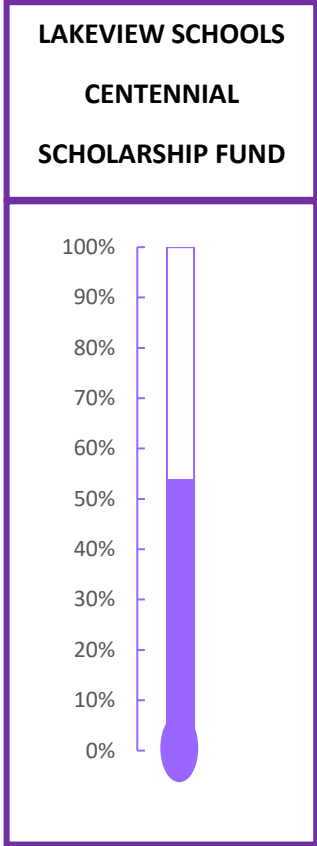

In order for a fund to generate a scholarship it needs a minimum of \$10,000. Our goal is to be able to offer a scholarship to next year's students. That means we need to raise at least another \$4,600.

Please consider donating either [online](#) or directly to LSEF by check payable to LSEF, 15 Arbor Street, Battle Creek, MI 49015. Scholarships from LSEF directly benefit the local community.
